

Oligasis LLC Becomes Kodiak Sciences Inc.

September 8, 2015

- Company emerges with a potentially disruptive retinal pipeline

Kodiak Sciences Inc., a biopharmaceutical company founded in 2009 as Oligasis LLC, announced the launch of its new corporate identity. The company's new identity reflects the maturation of the company's product pipeline and highlights the company's commitment to building a durable, independent ophthalmology franchise for the benefit of patients globally. For more information please visit the company's website at www.kodiak.com.

About Kodiak

Kodiak is designing and developing novel therapies for the treatment of retinal disease.
