

Kodiak Sciences Announces Proposed Offering of Common Stock

November 16, 2020

PALO ALTO, Calif., Nov. 16, 2020 /PRNewswire/ -- Kodiak Sciences Inc. (Nasdaq: KOD), a biopharmaceutical company committed to researching, developing and commercializing transformative therapeutics to treat high prevalence retinal diseases, today announced that it has commenced an underwritten public offering of \$400,000,000 of shares of its common stock. In connection with the proposed offering, Kodiak Sciences expects to grant the underwriters a 30-day option to purchase up to an additional \$60,000,000 of shares of its common stock at the public offering price, less underwriting discounts and commissions. All of the shares in the proposed offering will be sold by Kodiak Sciences. The proposed offering is subject to market and other conditions, and there can be no assurances as to whether or when the proposed offering may be completed, or as to the actual size or terms of the proposed offering.

J.P. Morgan, Morgan Stanley, Jefferies and Evercore ISI are acting as joint book-running managers for the proposed offering. Truist Securities is acting as lead manager for the proposed offering.

The shares described above are being offered by Kodiak Sciences pursuant to a shelf registration statement on Form S-3, including a base prospectus, that was previously filed by Kodiak Sciences with the Securities and Exchange Commission (the "SEC") and that became automatically effective on November 16, 2020. A preliminary prospectus supplement and accompanying prospectus relating to the proposed offering will be filed with the SEC and will be available on the SEC's website located at <http://www.sec.gov>.
