Item 8.01 Other Events.

On September 6, 2019, Dr. Victor Perloth, Chief Executive Officer of Kodiak Sciences Inc. (the “Company”), informed the Company that he had entered into a Stipulation for Settlement with his spouse, Daniella Perloth (the “Settlement”). In accordance with the Settlement, Dr. Perloth will be making a \$12.5 million equalization payment to Ms. Perloth towards the balance of her one-half share of the community property interest in Kodiak Sciences Inc. Ms. Perloth will also receive 600,000 shares of the Company’s common stock (the “Shares”) currently held by Dr. Perloth, representing approximately 1.6 percent of the Company’s outstanding common stock, and Ms. Perloth relinquished any other community property interest in the Company or its securities. The Shares will be registered in Ms. Perloth’s name. Dr. Perloth will continue to exercise sole voting authority over the Shares pursuant to a voting agreement and proxy to be entered into between Dr. and Ms. Perloth. Any of the Shares that Ms. Perloth sells in the open market will cease to be subject to the voting agreement and proxy. In addition, the Settlement requires that any sales of Shares by Ms. Perloth must (i) be made pursuant to one or more Rule 10b5-1 trading plans approved by the Company, and (ii) comply with certain time and volume limitations. The Company does not believe the Settlement will have a material impact on the Company or the market for its securities.
